USDA-Forest Service
Tongass National Forest - Alaska Region
**SOUTHEAST CHICHAGOF
PLANNING AREA**
Alternative B
March 18, 1992

Legend

- Proposed Harvest Units
- Existing Harvest Areas
- Uncut SEIS Units
- Areas that will be Managed to Provide Old-Growth Habitat*
- Class 1 Streams
- Class 2 Streams
- Class 3 Streams
- Existing Roads
- Existing Roads Not in Use
- Proposed Roads
- Proposed SEIS Roads
- Proposed Road Temporary Use
- VCU Boundary
- Proposed Log Transfer Facility

Map constructed by Chichagof Area GIS
Contours are shown at 500-foot intervals

Scale 1:78,000

NOTE: Areas shown in red on this map have not been approved by the U.S. Forest Service and are intended only as an aid to navigation by the user.

Alternative B
The intent of this alternative is to focus the proposed actions on the SEIS in the northeast half of the project from 1970 to 1974, and 1975. This approach emphasizes timber harvest and road construction away from the VCU where most of the recent timber harvests have occurred.

* "Old-Growth" or other appropriate prescriptions to maintain old growth habitat conditions will apply during the Southeast Chichagof Planning process unless the forest management direction is modified after further NEPA analysis and public discussion.
